The following information shall be submitted

Annexure - I

Details of Brick Units / brick kilns and other fly ash product units to which Ash is supplied

S.No	Name of the Unit & Address	Telephone No if	Quantity supplied in Metric tons		
No supply of Ash is made to Brick Units / Brick Kilns and other Fly Ash product units as 100 % of Ash					
generated is used within the premises					

#### Annexure - II

## Details of Cement to which Fly Ash supplied

S.No	Name of the Unit & Address	Telephone No if	Quantity supplied in			
		any	metric tons			
100 % of	100 % of Fly Ash generated from the Captive Power Plant is used in our Cement Plant located					
within the	within the same premises					

#### Annexure - III

## Name of Road projects to which Fly Ash supplied

S.No	Name of the Road Project	Telephone No if	Quantity supplied in	
No supply of Fly Ash is made to Road Projects as 100 % of Ash generated is used within the premises				

## Annexure - IV

# Name of Hydro power project to which Fly Ash supplied

S.No Name of the Hydro power project Telephone No if Quantity supplied i						
Traine or the riyare power		project	any	metric tons		
No supply of Fly Ash is made to any Hydro Power Projects as 100 % of Ash generated is used within						
the premises						

#### Annexure - V

# Name of Mine to which Ash supplied

S.No	Name of the Mine	Open cast / Under ground	Back filling		
No supply of Ash is made to any Mine for back filling as 100 % of Ash generated is used within the					
premises
